

Besides,
the monas-
tery is
too dark

I'm
serious
now

Don't
mislead
me about

Heiligenkreuz
is a Cistercian
monastery built in
the 12th century,
and

*Wish I could
prove my
innocence
to the Mayor*

*I won't be able
to count on the
absent-minded lady
as a witness even
if she had seen
the letter...*

*I have
only
myself
to blame*

Keep on
praying on

A
woman,
again?

To hide
the trace.

She
planted
a flower.

Victims in the
city once ruled
by the Empress
Mama Theresa.

No wonder
there are
the scents
of women
all over.

Which
organization
do you think
sent Christa
Gunter
to us?

The hell
I want
to know!

Oh, by
the way,
Lord
Glenn.

Her
code
name
was.

Mama
Anastasia.

She's
the local
The

gence.

The blind
spot. It took
longer than
expected to
identify her.

You were too young
to dance with
Jean Klaus

we must dance
exceptionally
well

If we're
only got
once to
dance

The woman
who had kept
him in a
dark room
waited
along.

There was
a small
candle.

It's unlikely
that she
would take
on that much
responsibility

They won't
destroy it until
their specialists
finish
analyzing
the film

Or, they
may have
destroyed
it already

the
microfilm
should have
been delivered
to Polar Bear
by now

If she
were a
KGB
spy

'Cause they
are the ones
who want to

put an
end to this
filice

they
would've
given an
acres land of
an appeal

Besides, had
the KGB got
the microfilm
already

It takes
time to
go over
50 years
of data

I'm checking
every detail of
her background
and history

the
microfilm
may still be
with the lady,
or

Given the fact
that there hasn't
been any such
demon-
stration

she could
be a spy from
a third party
organization

like
Mario

Union of Soviet Socialist Republics Embassy

The monk repeats it was a confession

—Did you find out the purpose of his visit?

And nothing's been heard about the Major after Lutz

Their movements are unpredictable

Historic sites of Beethoven and the Redemptress Monastery...

His condition was not so serious, but reportedly he begged the director of the hospital to take him in

The West German Ambassador was hospitalized for gastritis today

Comrade Polar Bear, here's interesting news!

Of course!

Comrade Seal, is it about the Major?

the stomach
of the poor
ambassador may
be consuming
the truth

Our
target is
still in
Hanoi?

The Major
used Maria
Theresa to
take us in,
but...

while we
and the CIA
were
looking
for him in
Salzburg

He may have
sneaked back
to Vietnam

The fact
reveals itself
in privacies

If the
Major is
in Hanoi

-That's a very
interesting
observation
Comrade
Seal

Tell them to
hurry up!

What're they
doing in
Salzburg?

Does Major
where and
what's he
up to?

Fuck!

The United States
of America
Embassy

I'm asking
where
the Major
has gone!

The West
German
ambassador
was
hospitalized?

So
what?

The embassy
staff are saying
it's the Minister's
turn next

He's
the first
victim

Ah, I've
heard it,
too

We've heard
the Ambassador
is in the hospital
for guests

How
is the
Amb?

By the
way, get
the Earl
here!

I've got
to talk
with him

Huh?

'Cause
we owe
him a lot

This record says she's once been to Leningrad, 32 years ago

The culprit was Fritz Scholz

The monk testified that she came to the monastery

The wife of a CIA agent turned out to be a KGB agent

's appalling

She's free of the Western Bloc's suspicion as long as she pretends to be manipulated by the CIA husband

Besides, she's a cut above her husband

she's a staunch expert in deceiving

The lady who had shammed sleep for over 30 years

They've deceived each other for decades?

The spies of the East and West have lived under the same roof as husband and wife?

What kind of moral code do they have?

One is capable of anything, once a mission is completely hammered into one's mind

that of
the moment
a nuclear
missile falls
on us

No!

The
greatest
fear
of
human
beings
is

If the
Major will
back me
up

the
challenge
may not be
a bad
idea

-Just
to tell
the
truth

I'm
tired of
being
screwed
myself

He took
the chance
to argue
away
from
me

-The Major's
becoming
sketchier

Why
not
give it
a try?

I may be able
to get back the
pride of the
Phantom Thief
Venice

-No, you
don't need
to worry. He
doesn't know
my identity

I know the
owner of
Schmidt & Co
well. He's the
CIA's Meremach,
right?

Oh,
you're...

Hello,
Figueroa
& Co

So, you
want him to
stay away
from his house
for a night?

-He won't
suspect me. We've
known each other
a long time

-Understood
I'll call him
right away

That's
all right,
Elizabeth

I'm sorry
I didn't ask
you before I
took them to
the repair

Dear,
how do
they feel?

Very
comfortable

Be back
soon

You
take
care,
dear

There's
only her in
the house

Mottrach
has left, sir

We've got the Minister

to chase away odd thoughts

If you get scared, recite math formulas or conjugate verbs

Isn't religious phrases more appropriate against the horror?

I don't like either math or grammar

Suit yourself?

How d'you feel?

Are you ready?

It's light in the dark, thanks to these glasses

The convalescent thief, sir

He'll do his best. His professional life depends on it

I told him to leave traces of trespassing

Plant the bags in good locations, all right?

You wait for me here Pousseur?

Roger

Am I accompanying a kid a step to the bathroom?

to
protect
the
microfilm

come
out and
make some
moves

She'll know
that her
surroundings
are no longer
safe

Even the
hiding
fox will

That's
what we'll
be waiting
for

She'll contact
her allies and
ask for their
instructions

What kind
of a spy
would call
the police?

Course
not

Won't she
report to
the police?

I'll
steal
later

Let's
begin all
over the
house
first

*I can see well
in the dark.*

*Thank you,
Major.*

That I may dwell in the house of the Lord.

Though war arise against me, yet I will be confident

all the days of my life, to behold the beauty of the Lord

One thing have I asked of the Lord that will I seek after,

and to reside in His temple

Arise, arise arise

*If I run away now
there'll be no more
chance for my comeback*

*I will never be able to
enjoy dancing again*

*Now, what shall
I do? Do I have
the courage to
look back?*

*My
comeback!!*

*Come-
back*

*Come-
back*

*Come-
back*

*Come-
back*

—Now, what
will she say to
her comrades?

What a
stupid
laugh...

Ho
ho
ho!

Ho
ho
ho!

What-18

Empty

I don't want
to get caught
before I make
a comeback!

Let's leave!
The police
are coming!

A spy calling
the police??
Outrageous!

What the
bloody hell
was that!?

That woman
she is a real
old fox!

—Tyrol, Austria—

—Vienna—

Jen insists
that he gave
it to Metemach
in Vienna

—And
where's
the infor-
mation?

Good,
they
got him!

That's
the
problem

I delivered
the infor-
mation to
Metemach

I've no
more to
tell you!

Don't
worry, I
didn't tell
them a
thing

They are
following
me around
for the infor-
mation

'Cause I
went through
hell for
the CIA

We got
no report
from
Metemach!

Don't
give us
that bull!

Didn't you
turn it over
to the
Germans?

We saw the
Major's subor-
dinate
around
you

Innsbruck
is a bit of
a long
way off,
but

It'd be
safer than in
Vienna, where
there are too
many eyes
around

Innsbruck

Czechoslovakia

West
Germany

Prague

Vienna

Austria

Italy

Yugoslavia

Let's get Metemach
to meet Jen
face to face

Hungary

Besides, we've
enough reason to
suspect him from
what he's done
in the past

It's proper
to blame it
on someone
who's not
present

-Are you
suggesting
it was the
Major's
doing?

-who's more
likely to do
that sort of
thing?

Haven't you
forgotten
a person...

And Jim
Carris, the
CIA agents
are failures
nowadays.

SLAM!

What kind
of education
has Metemach
given his wife?

By the way,
I was surprised
that the police
were invited to
a spy's house

I'll be
right
back

What's
he
plotting?

Are you
leaving, Mr
Secretary?

That
Clemens
too~!

The Yank's
thinking has
no delicacy

Does he
really believe
the KGB dare
break into a
CIA agent's
residence?!

TEMPORARILY
CLOSED.
SCHOLTZ & CO.

A, what time's
the flight from
Vienna to
Munich?

There's
the 17:00
Lufthansa,
sir

Yes
sir

*Mysterack
left Lufthansa!*

I'm glad
Karl
won't
home.

*The safest
place for
the KGB
is...*

*The
belongings
of
Mysterack
the CIA
agent...*

*...the last
place that
the CIA
would
inspect*

*...and the
thing that he'd
carry along
without even
noticing*

Ho
ho
ho!

I'll catch
Mysterack
before he loses
his shoes!

I'll fly to
Munich
via Munich!

This is
the knot!

Turn on
the light,
Mr. James!

FLASH

This is
too absurd!
I'm going

Repeat!
My functions
are gradually
coming back!

Oh, I broke
my record
by one and a
half minutes!

Forward!

Only 4
minutes
and 30
seconds!

Last night's
adventure
opened up a
brighter future
for me

What're
you
doing?!

Don't fool
around in
the guest
room!

It's the
rehabilitation
training
for my
comeback

Then,
get out
of here!

I thank
you,
Major

I like
this
room

This room
is perfect
for my
rehabilitation

And
the floor
speaks
nicely

I'll
overcome
every fear to
restore the glory
of Eterna,
the phantom
thief!

I vowed
to reclaim
that...

There's
a large
assortment
of sculp-
tures...

from
grotesque
ones to
reveling
ones

Oh, do you have any better idea?

Can't you do it in a more cultured manner?

That's a rather toxic-tide rehabilitation method for you

This is the best I could think of

He auto-graphed it with a writing brush

The Hamaya Sutra?

A Japanese high priest donated this book to the embassy when he came to Vienna

Lorraine see

I think there was a good book for you

—Here it is

Oh, this is—!

The dream of European intellectualism!

It's the world of suiboku paintings*, the ultimate aestheticism!

Zun!

Sit in meditation, and we're delivered from ourselves, our spirit awakened

And we are given superpower! This is the Oriental mystery!

*I'll give it
a try for
my bright
future*

*The Major
recommended
it to me*

*—That's
all right*

*(Already
asleep.)*

*Put yourself
of all worldly
thoughts, and
try to attain
a perfect
serenity of
mind*

*Mr James,
don't fall
asleep*

*Tell the
Minister to get
me the car
I'm leaving
for the airport*

*But
Major*

*...to keep
him from
interfering
with me*

*It's best
to give
him some
joy*

Foolish!

*He'll be
quiet for
a while*

*They
have an
important
guest*

I'm
glad

Our Ambassador
is recovering. We
believe he'll be released
from the hospital soon

He sent me
for an inquiry
before he makes
a formal visit
to the hospital

The Soviet
Ambassador
has been
concerned
about him

seem
quite tired,
too

You
too

The Minister
will be here
in a moment
Please stay,
by all
means

Please send
our best regards
to your
Ambassador

Oh, no, I
didn't mean to
disturb you

Excuse
me, Mr
Secretary

Don't forget
that you've
put us to a
great deal
of trouble.

You seem
to be making
some rather
accusations
against me.

I'm
saying
we'd
better be
careful
with
women.

What
do you
mean?

And you
told him it
was my
doing,
didn't you?

You have
a friend,
Erica the
thief.

Am I
wrong?

... that broke
into Notemach's
residence.

The CIA's
Steamroller
complained that
it was
the KGB.

He
complains
about
everything.

Then,
who do
you think
did it?

I must
protest for
his honor.

He wouldn't
make a blunder
like being noticed
by a family mem-
ber who called
the police.

Erica
would've
done
better.

*This lady is
doing cartoons*

*Given her reactions,
it seems Polar Bear
hasn't contacted
Frost Schudel yet*

*I have
a tough
stomach
but...*

*I have a
few more
things to
finish*

*I'll be
right
over*

*Major,
hurry up
if you're
going to
the airport*

You can
attend school⁸
at once

There Zen
meditation is
more comfortable
on my chair

Well, I'm
good at
imitating
your voice,
but

My absence
shouldn't be
known to
outsiders
Understood?

I'm so
thrilled my
beland
started
to trem

Can I sit
on your
chair?

Hold
for a sec

Then,
do it
well

While I'm out,
answer the
calls pretend-
ing to be me

I have to
go out for
a while

I'm helping
you so that
you can make
a fast
comeback

You
should be
thankful
to me

All's for
your rehabili-
tation

Making me do
Zen meditation
then answer
the calls
for you

Aren't you
using me a
bit too
easily?

On the
chair that
carries your
warrens and
crank

I'm
thankful
to you,
Major

Being
united with
you, I'll attain
a state
of ecstasy

I'll
concentrate
on the
rehabilitation
and wait for
your return
here

Little
by
little

Ah

ignore

ignore

ignore

ignore

Sir

I'm
leaving!

The chair
will be
sterilized
later

Hit her
with the
stick
occasionally

Watch
the asshole
so he won't
do anything
rupid

Record all
the telephone
conversations
as evidence

I need backup

Ah my
stomach

*After the Major,
I have to baby-sit
the Earl...*

There's
only the
Minister
in the car

The
Minister's
car's left

His car
is behind now
and then

It seems
the Mayor is
still lurking
in the
embassy

Ernst is
nowhere
to be
seen

The Mayor's
subordinates are
loitering in
Vienna yet

He sets
his sights on
Metemuch

the one
who broke into
Metemuch's
house must
have been
his agent

Comrade
Polar Bear,
if the Mayor
will in
Vienna...

—He put one over on us in the case with Maria Theresa.

Speaking of whom, the Major made a peculiar comment

Maria Theresa—

Whether she was really Maria Theresa or not

Run a thorough check on this woman one more time

Our
Lufthansa
Flight 207
to Munich

will arrive
at München-
Munich Airport
in 55 minutes

Airbrush
whenever
you're
dressing
up

don't take
off your shoes
until you get
to Frankfurt

—Zurückblick—

I'll take the
shortcut
to get there

Is me

Major!
We were
waiting
for you

Attention,
this town
serves that can
be walked
through it
I'm here

It's easier for
to avoid
the public
eye in the
crowd

Let's
go!

It's
important
Thank you
before
answering

Is
Misterash
wearing
shoes?

Girl

Y-yes

Common
black
shoes?

I'm only
interested in
his shoes

I don't care what
Misterash's
assignment
is about

Passing the
map to him is
the same as
delivering it to
the Mayor!

Ernest is in
cuboon with
the Mayor!

Jim Curtis,
I'll kill
him!

To them,
of all people

The
Mayor's
already

Pro-
bably

Where the
fuck is he
hiding?!

He stole
the CIA's
information

Which
monis-
tory?

Hedgen-
kreuz

Go check
if the Mayor
was already
there. Harry!

DAMN!

How dare he
speak to me
as if he knows
nothing!

That
Kreuz!

There are four inside, including Menemach

That hat, sir

Let's take a look for a while

The KGB?

A man's standing behind that tree

Get me the binoculars!

Looks like someone in our business

How come the Major's here?

That's Iron Klaus!

How would I know? But he's right over there!

He's staring at us!

The Major is standing outside the bar!

The Major's coming!

-Don't talk to me in Greek

What's up, Joe?

An urgent call from Innsbruck!

Give us other instructions!

I'm talking about Iran, Klaus!

Get here!

Give us instructions on what to do!

RUN!

POP

Wah!

I didn't ask for your trousers!

I said, your shoes!

*Minorsuck,
I won't let you
go back to
your wife!*

*He wants to
return to
Venezia!*

*I won't let you
go back to Pirena
to your KGB wife!*

Bloody hell!

DAMMIT!

All! Don't
stand there
like a stock!
Say something!

620061-62009

Thanks to your
incompetence,
I've got one
more problem
to deal with!!

Moross!

when I'm
playing the
double of
the Major

Mr. A,
you ought to
respond to me
with "Ah!" or
"Eh!"

You'd
better not
bark all the
time, though

Too
much makes
people
suspicious

I don't
see why
you need
a supporting
actor

You're
the Major
himself,
my lord

I'd let you know when the call comes, you may go on with the meditation, my lord

Be careful not to contract that habit

I wish the Polar Bear would give us a call soon

It's fascinating the Mayor's voice

He'll be quiet for a while

With pleasure

If I move, his ear with that stick

All right

Papa-papa!

Around here?

Oh I smell his odour and feel his warmth

The blessed moment on the Mayor's chair

He's only human. He may have produced some gas here, too

Translator's note: he is applying powdered sunflower oil to his scalp - Japanese hair restoration: loss - to stimulate hair growth

THE MINISTER'S PLOT

He assured me that I could get the spiritual awakening if I practice in Innsbruck.

Mr. Sato recommended the town to me.

No, to Innsbruck.

Are you going to interfere with us?

No way, my lord! The Mayor's there!

This is the guidance of Deidte.

Don't worry. I'll stay away from the Mayor even if I see him.

I told you, my purpose is Zen training.

It's me who oughtn't to be interfered with.

What great romance beyond time and space.

The Mayor and I are connected by a profound love since our former lives.

that the practice ground selected for me was the town the Mayor has gone to.

Anyway, what a curious coincidence.

You can make
a Tyndean Jet
Service's direct
flight now

Get
ready
at once

I know,
I know

I'll take
you to the
airport

Minister,
I have a
favour to
ask you

Heard
you're
leaving
for Inns-
bruck

Mr Bonham, we'll
go about asking for
arms as mendicant
priests

It's a
form of
Zen
practice

What
about
James?

Shall we
report it
to the
Mayor?

The
Minister
reminds me
of the
Chief

Folly

The Earl
won't do
any harm
while being
into Zen

He's
forgotten
about
Lord Gloria

-Nah

He's
already a
saint in
that sense

Mr James
has devoted his
life to begging
since he was
born, and

is now an
accomplished
embodiment of
extreme poverty.
He needs no more
such training

There isn't a moment to lose!

Look for a flight via West Germany or a chartered plane!

Next one will leave in two hours

A Tynselan Jet Service has just departed

A flight to Innsbruck! Hurry!

Calm down, Duck!
People are watching us

Can't wait for so long!

chased Metternich around, and stripped his pants off!

That knot suddenly popped up in Innsbruck.

We've got through to Joe!

Duck!

All right.

He did such nonsense

We must find out why

The Major'll spot you if you don't keep a low profile

and stay here until I come

That's too conspicuous. Move to a hotel in the town.

Hey, Joe. Where're you?

At the Austin-American Association

Buy him a set of new clothes and make him look like an American tourist

He should be here in a minute. Takes a bit of time with no pants

Is Metternich with you?

The Major wouldn't strip off a man's pants with no reason!

That's what we're going to look into!

He's not any

We've got to check if the Major was looking for anything other than the pants

Keep everything he had on

It was your fault that we lost Jim Curtis

You're aware of it, aren't you?

One more thing, Joe

Metternich says he doesn't have the slightest idea

I've been in Vienna all the time

He was trying to deceive us

We couldn't check inside the cars of the Ambassador and Minister

Sorry, sir

using the cars of the ambassador!

They went in and out of the embassy-ry-

Then, the Major also '1'.

RRRRR

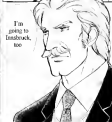

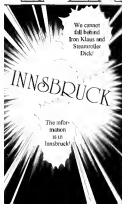

The CIA men went to Innsbruck

Lord Gloria's gone when we need him.

We must report it to the Major

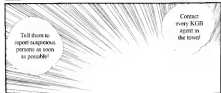

—Innsbruck—

Austria-Soviet Association

The majestic

mountains.

that cut
the sky and
rise high,
overwhelming
and denying
those on the
earthly world

They are
the holy
mountains

Are they mere
peaks transcending
all creation, or the
magic mountains?

Now I understand
why Mr. Sato
recommended
this town for
my practice

the
solemn
and mystic
spectacle

Our unaru®
costume goes
well with

They are the
kings, queens
and laugher
from the
Habsburg line

They have
25 life-size,
dark bronze
statues

Looks like
they are about
to move at any
moment. So
strange

This
atmosphere
scars me, too,
me lord

I'll have
another
nervous
breakdown

I'd have been
happy to steal
them before, now
I can't even
step inside

I will be
released from all
the worldly fears
and able to stand
face to face with
those statues

That will
be the time
of my true
recovery

When I
attain satori
and Buddha
dwells in
my soul

Note: The first two subtitles of *How to be a Buddhist* [1] clarify my whole life as a Buddhist's teachings.

*He returned evil
for my favor*

*When I return to Vienna
I'll fix him so he'll never
get back on his own feet again.*

*I should have
recommended
Zan to that shot!*

They are
European

Well, well
Does Japan
export monks
abroad, too?

I reckon you
used to be one
of those kiddies
who follow the
street performers
around

I. I looked
at them only
for a few
seconds

You must
believe
me, sir!

Are you
really
working?

Did I tell
you to look
for monks?

That's
him!

Only arched
roadsters go
overboard for
such nonsense

What Zen,
what enlighten-
ment? Abroad!

Don't let him know who we are, the lord!

Mr. Bonham, the Mayor!

He's the CIA agent who was with Menomuch

The American who's watching the monks there

Sir

Tell me

No stopping, Joe. We shouldn't be spotted

Let's go back to the hotel

-Yeah, all right

What was it?

I remember seeing his face somewhere

Are you interested in Japanese Buddhism?

You looked at them intently

Wah!

Fuck
off!

GOOD
LUCK!

You're not
supposed to
get close
to 'em!

Mr. Tsocham,
I've done
nothing
wrong yet,
have I?

We'll see
each other
again when
I return
someday

—Major, you
pursue your
mission while
I go on with
my practice

Errors
rang the
bell three
times and
ran away

The Major
yelled at Errors
and threw a
stone at him

Wonder
what it
means,
or

He left so
fast it was
impossible
to tail him

How
did they
look?

The Major
and Errors
made
contact—!

That's
it!

**Austria-Soviet
Association**

And the
Major?

We'd better
ask Polar Bear
when he arrives

*I feel like
the Mayor
could
appear here
at any
moment*

*Better go
back to
the room*

Shall we
have lunch
out?

The shoes
in question
are in
the bag

What's
inside the
bag he's
carrying
along?

It
looked
like his
clothing

Mattomick's
room is
311, or

This is a
five star
hotel. The
CIA is rich

The two
agents have
gone to the
Austin-
America
Association

I'll
raid his
room

Not
enough
time
for it

*Your lack of
control got us
into big trouble*

*Explore your
misfortune of
having married
a shy fox*

Go right back
to the hotel
and get the
other one!

This is just
an ordinary
shoe with
no trick!

The
micro-
film is
in it!

Harry!

Dommit!

If someone
picks up the
shoe tomorrow
morning, they'll
be nothing
we can do
about it.

The more
time passes,
the deeper
trouble we
get into!

The CIA
was there,
and

But no,
the hotel
is not safe

We were
so close,
and what
now??

If you
screw up and
waste our
past efforts

you can't
get away
with it!

This's
your last
chance!

*...Polar Bear
must've arrived
by now*

*Snowmelter
started making
a big fuss and*

*The CIA
for KGB?*

This
knot is
interesting!

Well?

After all
the trouble of
following me
this far, what
do you want
from me?

You assaulted
our Metemach
twice! You can't
begin innocent!

You'd
better stop
affording
ignorance

Ask this
bastard!

Why?

Do you
pretend
to know
nothing,
too?

The Mayor
is after
him?

Metem-
ach?

Be cautious,
Polar Bear
isn't supposed
to know
about that

Hey,
Stem-
roller

Who?

Deck,
cover up
for me.

Cops,

never
trust!

About
that?

Don't
mix up the
KGB and
CIA!

Us?!

Watch
your
tongue!

What does
"that"
mean?

He's trying to
confuse us with
evasive remarks!

Polar Bear,
don't be
taken in
by his
evil trick!

That's
problematic,
you know

Deck,
I am
your
ally

Are you on
more friendly
terms with
Polar Bear
than with
me?

Wah!

Don't try
my limit!

Chase
the
Major!

He
escaped!

dodge

He's gotten
better at
observing
the enemy

The Major
used to return
a punch
right after
being hit

Looks short-
tempered,
but he has
a cool head

I must
pay him
back!

Do you
think I'm
afraid?

Ha!

Pay back
with
interest

So, that man
has the
information?

The
Major's
target is
Mikoyan

He ran into
the woods
behind the
castle!

Where's
the Major?

Find
him!

That Yank,
I'll hit him
some day

They're
gone

...what I am
after, we can
outwit them,
but...

If my men can
out Matarash's
other than...

...while they are
too confused
to figure out...

A bear may
climb a tree
if chased

Uh-huh?

Yo

Hope
no one has
picked it
up yet

We must
get the shoe
this time

I have
to go,
Peter

My
roommate
may be
wounded

Stay a bit
longer. We
must say
good-bye
tomorrow

Some-
one's
talking

Hush!

What on
earth, at
this time
of

They are
right on
the spot!

Good
Good!

Here's
a shoe.

What,
Betsy?

What's
that?

Oh

The owner
cares for
his things—
must be a
European

May be a
hotel guest's
shoe

It's an
old shoe

I'll take it
to the hotel
later

The heel
was replaced
only recently

He must
be attached
to it

Everybody in
this peaceful
town is full
of good will.

I love
Innsbruck

You're
so kind,
Peter

You can
just leave it
here, can't
you?

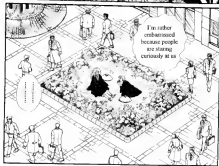

The joy of
waking up
amongst
fragrant
flowers!

What a
beautiful
morning

I'm rather
embarrassed
because people
are staring
curiously at us

I feel
miserable like
I became James,
one level

I want to
go back to
living like
ordinary
people

Let a man
once be a
beggar and
he'll be a
beggar all
his life

'S
true

our intentional
poverty has a
noble purpose of
transcending
ourselves from
all worldly
desires

Don't worry
James's
meanness is
his innate
instinct, but

Stop
scaring
me

Scorn the
masonry turns
into a
pleasure

Those
are

For James,
freedom is
a school
room

This street is
saturated with
beautiful
young men
and boys

Oh?

*Professional
recovery!*

Can't
miss this
chance.

Let's go
somewhere
else.

It's no
good
yet!

Don't forget
annunciation
from worldly
desires and profes-
sional recovery
me lord!

We'll
let
Dick

He'll be
informed
later

There's no
mistake
He's Erosca

Remem-
bering tempta-
tion is also
necessary

get my
own back
on Dick

I'll
follow
Erosca,
and

What's he
been up to
in that eye-
catching
cosume?

Let's hurry
to a better
place for the
training

They
spotted
Erosca

Let's
tell
them

That's the
silly CIA
agent called
Joe

They are
going around
the town for
alma today,
too

I'd like to
meet the
Zan priests

People were
wildly excited
in front of the
Hofkirche
yesterday.

Hello!
Excuse
us!

They may miss
an inconspicuous
building behind
a photo shop

They won't
visit a small
church like
this one

Let's go
take a
look

Ahem,
let's go
meet them

Good
Lord!

Talk of
the devil!

Pleased
to meet
you

I am Doran
Red Glens
from London,
England

I therefore take it that the shoe is the gracious teaching of Buddha

The shoe might be a revelation of Buddha

to us seekers after truth that we must efface ourselves

With no regard to himself, Jesus washed the feet of the disciples

Islam is a mixed-up religion, too

Our Lord and Buddha are mixed up, is that all right?

It's safer to avoid religious discussion

Oh, what a relief?

The young priest is my favorite type, Mr. Bonham

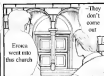

it is starting to believe like a fanatic

What if it gets serious and gives itself up to it?

Would you please teach us about Zen?

Gladly

Didn't he
come see
you off?

Peter?

I don't
care

Folks, make
sure you have
everything

Time to
get on
the bus

After all
the flirting
last night

What
a fake

That's
the
American
girl

American
guys are
too boring

He came with
me just because
we were heading
for the same
town

Excuse
me, miss...

Let's hurry
The Major's
apartment
is on

She must
know
something,
because

the shoe
was gone after
they left the
courtyard

*I seldom
take the
much time
for a meal*

*I stuff myself with
nutritious food*

*whenever
I can*

*My diet is rather
irregular*

*Are they trying
to make me
a pig?!*

These morons

You had
a long road,
Major

Are you
going for an
after-dinner
walk?

You're lucky
to have good
subordinates

My main
case about
my well-
being

The CIA
is waiting
for us

The folk
band in
local
costumes

To see a
Tyrolean
show

Let me join
you. I'd like to
see something
peaceful

This town is
indeed peaceful
and quiet

When
we turn
around the
corner

Keep your voice down

Are something bad?

I won't be provoked by

-You're too quiet tonight

A gentleman
from West Germany
would like to join us
on the stage tonight

Ladies and
gentlemen,
please give
him a warm
welcome

Polar Bear,
polish up
your
Cossack
dance

Goodness,
you are an
entertainer

I'll show
you what
you can
rarely see

Are you
drunk?

I thought
he'd started
dancing for
no reason

How come

He's
sure

Go to the
back door as
soon as I make
my exit from
the stage

Vi-Major

Clap
your
hands,
lads

PANIC!!

Pretty good, isn't he?

It's surprising he has a talent like this

You'd look perfect in local costume

You're very good

but never with leather shorts

I don't need dancing a Tyrolean dance for my mission
